ABOUT US

Arab Falcon Technical Contracting Est. is a leading manpower supply and recruitment company dedicated to connecting businesses with skilled professionals. With years of experience in the industry, we have developed a deep understanding of various sectors and their unique staffing requirements. We specialize in providing top-notch manpower supply and recruitment services across various industries. Our mission is to connect talented professionals with reputable employers, ensuring mutual growth and success. Whether you are an employer looking for skilled staff or a job seeker searching for the perfect opportunity, we are here to assist you.

OUR MISSION

To provide exceptional manpower solutions that drive success for both employers and job seekers.

OUR VISION

To be the preferred partner for manpower resources and recruitment services, known for our integrity, professionalism, and commitment to excellence.

OUR VALUES

- INTEGRITY
- EXCELLENCE
- COMMITMENT
- INNOVATION
- CUSTOMER FOCUS

OUR SERVICES

We offer a comprehensive range of manpower supply and recruitment services tailored to meet the specific needs of our clients. Our services include:

OUTSOURCING RESOURCES

Outsourcing involves contracting out business processes or functions to external service providers. This strategic approach enables organizations to focus on core competencies, reduce costs, and improve efficiency.

RECRUITMENT SERVICES

Our recruitment experts help you find the right talent for permanent and temporary positions.

TEMPORARY STAFFING

We offer flexible staffing solutions to manage your workforce during peak periods or special projects.

PERMANENT STAFFING

Our team assists in sourcing and hiring full-time employees who fit your company culture and requirements.

EXECUTIVE SEARCH

We specialize in identifying and recruiting top-level executives and senior management professionals.

INDUSTRIES WE SERVED

Our extensive experience and expertise allow us to cater to a wide range of industries, including but not limited to:

CONSTRUCTION

HEALTHCARE

INFORMATION TECHNOLOGY

MANUFACTURING

RETAIL

ENGINEERING

INDUSTRIES WE SERVED

HOSPITALITY

FINANCE

OIL & GAS
